

# *Eastern Snow Conference*

AN INTERNATIONAL ORGANIZATION  
IN  
EASTERN CANADA AND THE NORTHEASTERN UNITED STATES  
**CONCERNED WITH THE**  
ORIGIN, PRECIPITATION, ACCUMULATION, CHARACTER, MELT, AND RUNOFF OF SNOW

## **Announcement and Call for Papers**

The 66<sup>th</sup> Eastern Snow Conference (ESC) will be held in Niagara on the Lake, Ontario, Canada, 9-11 June 2009. The scientific program is open to sessions on theoretical, experimental, and operational studies of snow, ice, and winter hydrology. This year's general theme is

**“The changing cryosphere: tracking and understanding changes in snow and ice”**

A special poster session entitled **“Observing, monitoring and modeling snow and ice”** is also planned. Student paper awards are available. You are invited to submit an abstract for oral or poster presentation. An abstract of 150-200 words should be submitted by 28 February 2009 to the program chair:

Dr Richard Kelly  
Interdisciplinary Centre for Climate Change  
Department of Geography and Environmental Management  
University of Waterloo  
Ontario, Canada, N2L 3G1  
[rejkelly@uwaterloo.ca](mailto:rejkelly@uwaterloo.ca)

*Email submissions are encouraged.*

All papers will be published in the ESC Proceedings. In addition, *Hydrological Processes* (HP) will publish refereed papers from the meeting. The subject matter of these papers must fit within the scope of the journal. If you would like your paper to be considered for journal publication, please indicate this on your abstract and submit an electronic copy of your paper to (ESC/HP editor) by 19 June 2009. For more information contact the ESC/HP editor, John Pomeroy or co-editor, Andrew Klein.

Professor John Pomeroy  
Dept. of Geography

**Students** are encouraged to enter the ESC Student Paper Competitions. The winner of the best submitted student paper will receive the *Wiesnet Medal*, a \$750 prize. The *Campbell Scientific Canada Award* of \$500 will be awarded to the submitted paper demonstrating the most innovative use of technology in the gathering of data. To be considered for the Wiesnet and Campbell awards please send an electronic copy of the paper with the supervisor's endorsement to the Chair of the Research Committee, Baker Perry, no later than 30 April, 2009. In addition, the *David Hewitt Miller Student Poster Award* of \$100 will be awarded to the best student poster. Please consult the ESC web site for conditions and details.
